

**The UNIVERSITY of MONTANA WESTERN
COURSE SUBSTITUTION FORM**

"Variances" from published degree or program requirements must be approved and submitted in advance along with appropriate documentation for inclusion in a student's enrollment file maintained by the Registrar's Office. Examples of variances include course substitutions or waivers, or waivers of other specific degree requirements (examples: residency requirements, "P" grade requirements, etc.). Pertinent documentation (such as a completed substitution form, transfer transcript, etc.) is critical to determination of student graduation status. Information on standard or "blanket" substitutions or waivers can be found at the university Registrar's Office or at the UMW website at: www.umwestern.edu (click Academics, then Registration & Registrar's Office, then Graduation Requirements, then Variances From Degree Reqs, then Substitutions & Waivers). Students should discuss the need for a substitution with appropriate department faculty. Students are responsible for completing and submitting all documentation necessary to verify approval for variances from published degree/program requirements. **SUBSTITUTION – replacement of a specific required course by another approved course.** Transfer courses must be college-level and completed at institutions accredited by CHEA or USDE approved accrediting agencies.

Instructions: Print/write legibly; answer all questions and provide all information requested. Incomplete forms will be returned with no action. Substitution/waiver requests must be approved by applicable department faculty and the Provost. Properly completed and approved forms, and supporting documentation, should be submitted to the Registrar's Office; deadlines (graduation) may apply. Contact the Registrar's Office for more information (406 683-7215). Sign and date the form, include your e-mail address. Attach applicable documentation. Students are responsible for providing substitution documentation on a timely basis.
